

What do we know so far about the Lord's Prayer?

Our father, who art in Heaven

Last week learned that.....

God is like a parent, a mum or dad.

He loves us always, and would never let us down.

Heaven is where God is, whereas we are here on Earth.

BUT God cares very deeply about our daily lives

Hallowed be thy name.

God is the creator, the one who made everything.

He should be given honour and respect.

This week we are thinking about 'Thy kingdom
come, thy will be done'

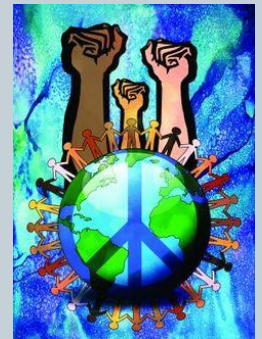

What does it mean to pray 'Thy Kingdom come'?

Jesus is praying that God's kingdom, his desire for peace and harmony, will come to all of us.

This part of the prayer is for the kind of world that parents would want to bring a new baby into.

What do you think that world would be like?

Prayer

Our Father in Heaven,
Whose name is sacred.

Help us to be your people on earth.

Help us to be people who help
God's Kingdom to come and God's
will to be done every day

Amen
