We enjoyed seeing so many parents and carers at the Year 9 Parents' Evening on Wednesday, we hope, that along with the information given before Christmas, you feel well informed about your child's current progress and what options would best suit them at GCSE. Hopefully, you and your child are now ready to complete the GCSE Option Form.

Please find below, option blocks that we feel will allow Year 9 pupils to make the best option choices. We have taken into consideration the feedback from the completed initial thoughts forms -

When choosing your options please remember the following conditions must be met:

1. At least one of the following subjects must be studied;
Computer Science, Geography, History, French, German or Latin
2. Religious Studies must be chosen in one block
3. Pupils cannot study Art and Photography

Please find below, a reminder of the information that was shared with parents and carers at the Year 9 Options Evening before Christmas:

- All pupils will study English, Maths and Science
- All pupils will study Core Physical Education whether or not they have chosen it as a GCSE option
- Addition subject such as Study Support and The Prince's Trust will not be listed on the options form as they are run for specific pupils.

Would you please complete the options form via the following link or you can scan the QR code below. Once completed you will still be able to edit your child's option choices until the deadline of 23.59 hours on Saturday, 17th February - <https://forms.office.com/e/kZJL3Eq8Fq>

There will be an additional Options Evening for parents and carers who wish to discuss their child's options choices further and for pupils who we feel, that the best option choices possible have not been made. The additional Options Evening will be held on Wednesday, 6th March at 5.30pm. More information about this evening will be sent nearer the time.

If you require any further assistance regarding the options process, please contact Miss Devine, Head of Year via devie@archten.croydon.sch.uk

Yours sincerely
