Week 3

## Encouragement of Week

God is ready to provide good things for us and will help us (1:5) to develop wisdom without being judgemental. Developing 'stickability' is a key skill that helps in school/life when things get difficult

### James 1: 5-6

If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you. But when you ask, you must believe and not doubt, because the one who doubts is like a wave of the sea, blown and tossed by the wind

To all the pupils and students who supported the school at Open Evening last Wednesday. We are very proud not only of how you conducted yourselves and spoke so confidently about being at Tenison's but also for giving up your time to take our visitors on such detailed tours of our school. Thank you

### Nasal Flu Vaccinations

The school nurses will be in school on Monday, 6th November to administer Nasal Flu Vaccinations to Year 7-11 pupils.

Pupils will have brought home a Nasal Flu Vaccination consent form for you to complete. Even if you do not want your child to receive the vaccine, please complete and return the form to school reception by **Monday, 23rd October** at the latest.

### Tempest Photography – School Photo

For parents/carers with children in Year 7 and 12 who would still like to place an order. You have until **Monday, 25th September 2023** to take advantage of free delivery to school.

## Key Information for the week ahead

### Safeguarding – Keeping our Students Safe Autumn Term Focus – Online Safety

#### At what age can my child start social networking?

As a parent, it's important you know that all social media platforms and messaging apps have age limits. Some social networks use technologies that may not be right for some ages or engage with communities made up of people much older than your child.

#### What are the risks of an underage social media account?

- Many sites include an instant message function that allows private conversations between site members.
- Most social networking sites have an app version available, meaning your child will have access to the social network from their smartphone or tablet. Some app versions of social networks use the location of the phone.
- Information shared between friends can be easily copied and may spread.
- It isn't easy to take back information that has been posted – and can be impossible if it's already been shared.
- Not everyone your child meets online will be who they say they are. Chatrooms and forums can connect people who are complete strangers and can be unmoderated.
- Chatrooms and forums are some of the places online groomers go to connect with children. They can also be places where people use a lot of sexual language and engage in online flirting. This is sometimes done through video chat programs.

**These apps are 13+ and should not be used by younger students - [www.internetmatters.co.uk](http://www.internetmatters.co.uk)**
