

Archbishop Tenison's Church of England High School A-Level Exam Results – Summer 2023

We want to take this opportunity to congratulate our Year 13 students on the excellent results they have achieved this year. Thursday, 17th August, was a joyful and exciting day for our whole school community, when we were able to celebrate with students as they collected their results and heard of their considerable success in reaching their chosen destinations in Higher Education, in an apprenticeship or, in some cases, giving them the grades they need for a future application during a gap year. Given the challenges this year group has faced during their Sixth Form courses, this represents a great triumph over adversity. As a school, we are impressed by the determination and character they have shown.

At Archbishop Tenison's 21% of grades were A* - B and 91% A* - E. Well done to all those involved in achieving this across our many different Sixth Form subjects.

Subjects which achieved the highest percentages at A*-C were Classics (100%), French (100%), Drama (80%), History (80%), English Language (75%) and Geography (71%).

We also want to note some outstanding individual achievements by students whose hard work and commitment achieved excellent grades across all three, subjects. Particular congratulations are due to: Joel (A*AA), Astrid (A*AB), Georgina (ABB), Rachel (ABB).
