Vision for Year 13

'Outstanding Achievement'

- Year 13 is where we often begin to see our students truly flourishing.
- We support our students with this as much as possible.
- However, research suggests that the most significant factor in a students' progress is the amount of practice they complete.

Outstanding Achievement- What is required?

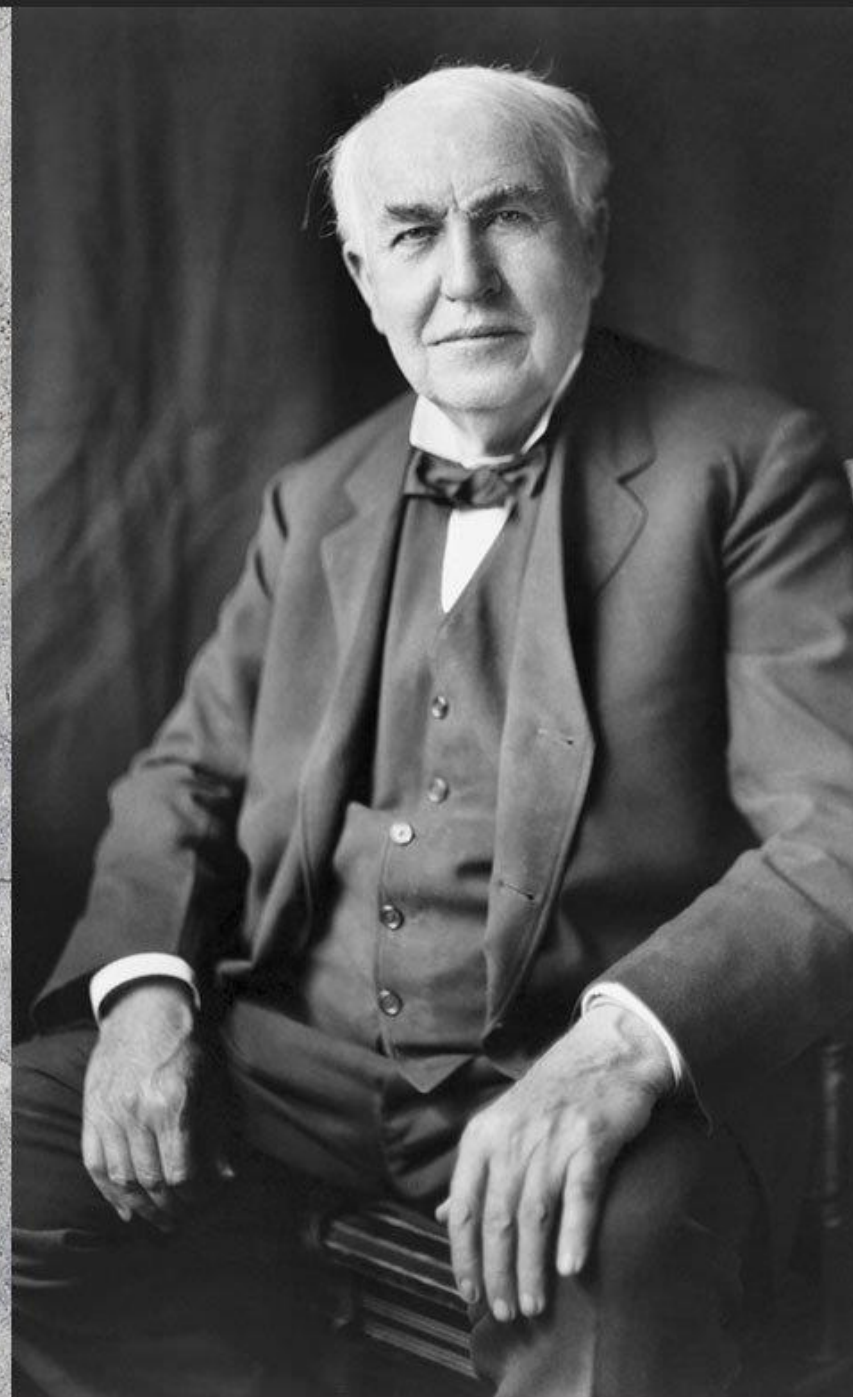

Research suggests that the following are required:

1. 10,000 hours- Focused, purposeful,
2. Stickability- deferred gratification
3. Growth Mindset
4. Formative feedback

GENIUS IS 1%
INSPIRATION
AND 99%
PERSPIRATION.

~ Thomas Edison

Classwork- Tip of the Iceberg

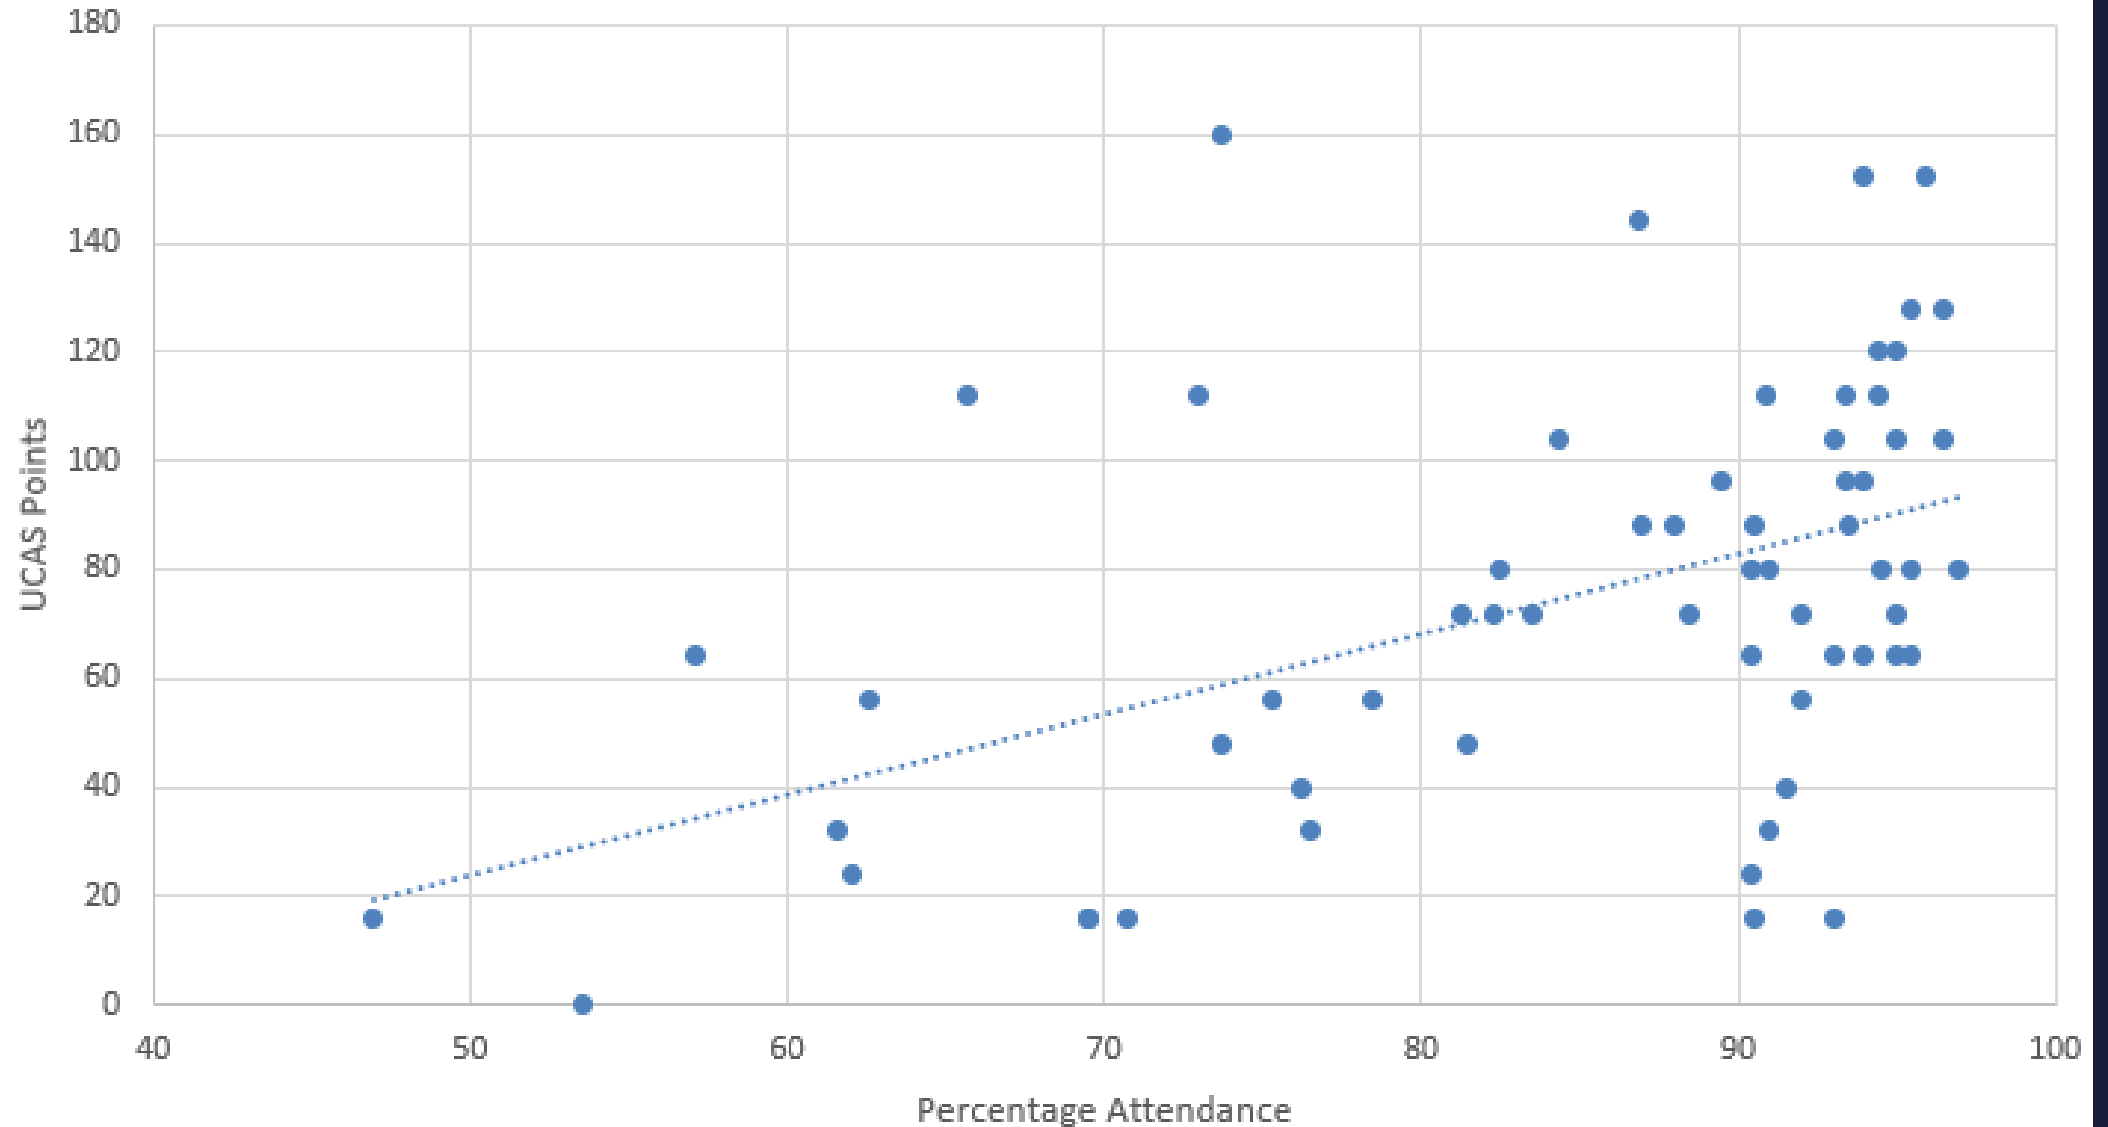

- The majority of work should be completed outside of class if one is to flourish.
- After each lesson, a student should be consolidating their learning.
- There is always something more that can be done if they don't have formal assignments.

Attendance is critical

Year 13- Attendance and Results

UCAS Applications

- UCAS applications are now live.
- Teachers have begun writing predicted grades and references.
- Students will need to synchronise their UCAS accounts with the school's account by using the Buzzword 'ARCHBISHOP23'
- Their personal statements are being reviewed by their tutors on UNIFROG, a different website.
- Students should have *realistic aspirations*.
