Week 22

1 Encouragement of the week

Psalm 3: 3-6

But you, LORD, are a shield around me,
my glory, the One who lifts my head high.
I call out to the LORD, and he answers me
from his holy mountain. I lie down and
sleep; I wake again, because
the LORD sustains me. I will not fear though
tens of thousands assail me on every side.

Exam Room Skills

Minimising Stress and Maximising Marks

We are excited to announce that Elevate Education will be hosting a free webinar for our parents and carers on Tuesday, 21st March.

Elevate Education works with our pupils, delivering high impact workshops on study skills, motivation, wellbeing, and exam preparation. By tuning into their webinar series you will learn how you can help better support your children at home through reinforcing the skills they learn at school:

Elevate Education will be covering:

- ✓ What to do in the final days before any test or assessment
- ✓ How to establish a good routine for the night before
- ✓ How to optimise exam-room performance

Homework: Satchel:One – Parent App

In November 2022 we started to use Satchel:One as our app for sharing homework with parents.

There have been a number of comments in the Spring Homework Questionnaire regarding Satchel:One which have largely been positive.

Any concerns raised are being sent directly to Satchel:One and I hope to update you next week with responses to them.

Parental codes for Satchel:One were all sent out via pupils in November with an accompanying letter. If you would like to know how to download and use Satchel:One please follow this link.

You will need a parental login code and this is available from your child's tutor.

Schoolgateway

All school communication is sent via School Gateway. It is important that parents and carers download the app to be kept informed of all school correspondence and urgent updates.

On Wednesday, we sent a text at approx. 7.10am via School Gateway regarding the late start of school due to the snow. Many parents/carers missed this information.

Below is a simple step by step on how to install the app.

Creating an account is simple and will take no more than a couple of minutes:

Download the FREE app to your phone

1. Register

Register using the same email address and mobile number held by the school

2. Four-digit PIN

School Gateway will send you a text with your PIN

3. Login

Login, you are ready to go

If you have already downloaded the School Gateway App and did not receive the message, please email reception@archten.croydon.sch.uk
We will resolve this for you, to ensure you receive all information from school.
