CHURCH OF ENGLAND HIGH SCHOOL

5<sup>th</sup> September 2023

Dear Parents and Carers

### A New School Year

It has been good to restart this week after the summer holiday. We have been pleased with the start, which has been made by pupils and students.

Over the summer much work has been done once again on the school premises, and we are grateful to our site team for the many hours they have given to making sure that everything was ready for the start of term. When you next visit the school, you will notice the boards from the recent exhibition at the Croydon Clocktower now well distributed around the school buildings. They look good!

#### ***An Opportunity to Celebrate and Connect***

*The Presentation and Information Evenings are a valuable opportunity for parents, carers, and pupils to come together as a school community. These events are not just about sharing important information for the year ahead, but also a chance to celebrate the fantastic work pupils have been doing. We will celebrate academic excellence and achievements with awards, by recognising the hard work and dedication of pupils. The evening allows us to connect as a school community, fostering a sense of pride and belonging that is crucial for the future success of your child and the school. Your presence and support at these events are greatly appreciated and play a vital role in maintaining our strong and connected school community.*
