

**BLACK
HISTORY
MONTH**

THEME: RECLAIMING NARRATIVES

WHY

ARE WE

RECLAIMING

NARRATIVES?

- This year's theme for Black History Month is “Reclaiming Narratives” which focuses on taking control of how Black history and culture are told. It's about correcting past mistakes in how Black stories have been shared and making sure the full richness of Black heritage is recognised.
- By “Reclaiming Narratives,” the aim is to highlight the success stories and contributions of Black people that are often left out or overlooked, both in the UK and around the world. It's about honoring our heroes and telling the complete story of British history.

In October and beyond. We will be marking the black history through:

- Competitions
- Trips
- Black History Festival
- And more!
