

Archbishop Tenison's Church of England High School GCSE Exam Results - Summer 2023

Congratulations to our Year 11 pupils on their recent results. So many of them did so well in these very challenging circumstances. This was a considerable test of their character and resilience over the last year and a half. We are delighted that so many of them have emerged from this year with some very good and well-deserved high grades and can progress on with such confidence into the Sixth Form or on to equivalent courses elsewhere.
