

# Archbishop Tenison's

CHURCH OF ENGLAND HIGH SCHOOL

10<sup>th</sup> December 2024

Dear Parents/Carers

## **Bromcom**

I am writing to keep you up to date with how we are developing our systems at Tenison's. At present we are aware that there are too many platforms. This has happened because as technology has advanced so rapidly, we have wanted to give your child the best support we can.

From February half term we will be moving to Bromcom to help us to mitigate this problem. Between February and the summer, we will be moving the majority of our systems to Bromcom so you will only need one log in to get all of the information you need about your child, so we will be moving away from Gateway, SatchelOne, Edulink and Parentpay.

This move will allow you a deeper insight into your child's progress at school and streamline our processes to improve our communication. We will be writing again in January with more information.

We hope you have a wonderful Christmas.

Yours sincerely,

Mr Miles Winter  
Senior Assistant Headteacher - Curriculum, Learning, Assessment, and Progress  
FCCT
