Dear Parent/Carer

Children's Commissioner for England, Rachel De Souza launched a survey, **The Big Ambition**, to hear from all children and young people in England aged between 6 and 18 years old. Adults can answer on behalf of a child or young person aged 0 to 18 years old.

This is the final push before the survey closes **Friday, 19<sup>th</sup> January** to make sure that every child in England has an opportunity to share their views with policy makers ahead of the General Election.

By completing the survey, we can make sure that the children and young people of London are fairly represented in the results.
