Week 33

Encouragement of the Week

Provided by the School Chaplain

Philippians 2: 6-7

who, being in very nature God,
did not consider equality with God something to be
used to his own advantage;
rather, he made himself nothing
by taking the very nature of a servant,
being made in human likeness.

Fundraising for the Music Department

This weekend, Mr Williams will be taking on a cycling challenge to raise money for the Music Department at Tenison's. For this challenge he will be cycling several mountain climbs near Nice, including **Col de la Bonette**, one of the highest paved roads in Europe. It will be a significant challenge.

At Tenison's we are always looking for ways to increase pupils access to practical music-making and help them grow in confidence through performing and creating. One area we would love to strengthen is our keyboard provision. At the moment we do not always have enough keyboards available for pupils to have their own instrument during lessons. Raising money for additional keyboards would allow more pupils to learn practically with a keyboard in front of them, work more independently, and make the most of their lesson time.

Our aim is simple: to give every pupil the opportunity to participate fully and experience the enjoyment and confidence that music can bring.

If you would like to support the challenge and can contribute, please do so via the fundraising page:

There is absolutely no pressure to donate, but any support, big or small - would be greatly appreciated and will directly benefit pupils in the Music Department.

Thank you very much for your support.
