Week 9

Encouragement of the week Isaiah 40:31

Those who wait for the Lord shall renew their strength, they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint

COVID-19 Reminder from

Rachel Flowers - Director of Public Health

- Children and young people with mild symptoms such as a runny nose, sore throat, or slight cough, who are otherwise well, can continue to attend their education setting.
- Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people, where they can. They can go back to school, college or childcare, and resume normal activities when they no longer have a high temperature and are well enough to attend.
- Children and young people that test positive for COVID-19 should try to stay at home and avoid contact with other people for 3 days after the day they took the test. After 3 days, if they feel well and do not have a high temperature, the risk of passing the infection on to others is much lower. This is because children and young people tend to be infectious to other people for less time than adults.

Year 11 Cultural Showcase

Wednesday, 7th December, 5.30-7.30pm

All pupils, students, parents, and carers are invited to attend an evening showcasing music, drama and a display that celebrates the very best of the many diverse cultures at Archbishop Tenison's School.

Tickets are £3.50 and can be purchased via ParentPay or on the door. Please bring spare money for refreshments.

Free Webinar How to Help Build Your Child's Resilience

In this webinar Elevate will be showing parents:

- What resilience means, what it **doesn't** mean, and why it's important.
- How to help build your child's resilience levels, both in and out of school
- How to help your child break their 'fear of failure'
