Week 2

## Encouragement of Week

Each week, the verse we share will be the same verse our pupils and students hear at school assembly.

### James 1: 9-11

Believers in humble circumstances ought to take pride in their high position. But the rich should take pride in their humiliation – since they will pass away like a wild flower. For the sun rises with scorching heat and withers the plant; its blossom falls and its beauty is destroyed. In the same way, the rich will fade away even while they go about their business.

### Nasal Flu Vaccinations

The school nurses will be in school on Monday, 6th November to administer Nasal Flu Vaccinations to Year 7-11 pupils.

Pupils will bring home a Nasal Flu Vaccination consent form today for you to complete. *Even if you do not want your child to receive the vaccine*, please complete and return the form to school reception by Monday, 23rd October at the latest.

### YEAR 7 Photography and Video Image Consent Form

As we start a new academic year, all Year 7 pupils will automatically be included to have their photographs or video footage taken.

This could be for school displays, printed publications, press and publicity items e.g. bus advertisements or posters, the school website and social media applications (including Facebook, Twitter and Instagram).

If you **DO NOT** wish for your child/children's photograph and video to be used for the above stated purposes, please complete and submit the online form by Friday, 22<sup>nd</sup> September, via this link:

### Water Bottles

We have had several water bottles handed in without names and unclaimed. A gentle reminder to please label your child's water bottle.

If your child has lost their water bottle, they can come to Reception after school from 3.30pm to look in lost property.

Safeguarding – Keeping our Pupils Safe  
**Autumn Term Focus - Online Safety Socialising Safely Online**

Talk to your kids about what they do online – do you know what they are doing online?

Ask them who they interact with online and always mention for them to not to accept friend requests from strangers.

- If you are video-calling, ensure you either review or set up privacy and security settings on the device beforehand. Check out parental controls where you'll find various settings for different platforms, apps and devices.
- Teach them to limit what they share, i.e., their personal details such as their full name, school, address, family/friend information, etc. Use a safe screen name.
- Ensure yourself and your kids know how to block, mute or report on different platforms.
- Remind kids that once they post something online, they can't take it back. Even if the info is deleted from a site, you have little to no control over older versions that may exist on other people's computers and may circulate online.
- Review your kids' friends' lists regularly – you may want to limit their friends' list to only people you/they know
- Create a digital agreement to set some digital rules about tech use in and out of the home. \*Research by Super Awesome, extensive desk research and data from Insights People's Data Portal 2020.
