Summary of results:

The exam hall is a very happy place this morning and we would like to take this opportunity to congratulate all our students on achieving a very fine set of grades. Indeed we would like to congratulate all members of our community in recognition of all the hard work and collaboration that has gone into helping students take the next step in their education. We are delighted that so many of our students have achieved their dreams and ambitions in achieving their university places.

AS results

In the world of linear A Levels, there were fewer AS exams than in previous years but those of our Year 12s who did sit them in subjects like Maths, Sociology, Film Studies, Classical Civilization and Government and Politics are also celebrating this morning. Of the 80 exams sat, 74% were at A*-C and there were particular successes at A*-C in Further Maths (100%), Film Studies (86%), Sociology (75%) and Government and Politics (73%). We wish all of our Year 12s the very best as they move into Year 13.
