

# Archbishop Tenison's C of E School

## Pupil Premium Strategy 2021-22

## What is Pupil Premium?

The Pupil Premium Grant (PPG) funding is provided by the Education Funding Agency (EFA) in addition to the school's core funding. The funding is used to support the progress and outcomes of the following groups of pupils in Years 7-11 who are identified as at risk of underachieving:

- Pupils who are currently eligible for Free School Meals
- Pupils who have been eligible for Free School Meals within the last six years
- Pupils who are currently, or have ever been, looked after or in care
- Pupils from a Forces background

## School context

Summary information	
Academic year	2021-22
Total number of pupils on roll	
Number of pupils eligible for PPG	
Total PPG budget	
Publish date	June 2021
Review date	April 2022
PPG coordinator	Lucie Philips
PPG Senior Leadership Team Lead	Andrew Cook

## Vision

At Archbishop Tenison's we support and challenge all our pupils to aim high and achieve well, regardless of their background. We use Pupil Premium funding to support our eligible pupils in making this a reality, with a focus on three key areas:

- A. High quality teaching.
- B. Academic support in core subjects at Key Stage 3 and 4.
- C. Wider strategies to enable pupils to access the full curriculum.
- D. Targeted individual support according to need.

The rationale for these priorities is based on research from several sources which identify the most effective strategies in supporting pupils eligible for Pupil Premium funding. These include *The Education Endowment Foundation Guide to the Pupil Premium*, the *DFE Guide to Effective Use of the Pupil Premium* and *Narrowing the Attainment Gap: A Handbook for Schools* by Daniel Sobel.

## Planned Expenditure

Listed below is a breakdown of the measures put in place to support pupils eligible for Pupil Premium funding in this academic year, in line with the priorities outlined above.

## A. High quality teaching

Intended outcome	Measures	Projected spending	Success criteria
High quality teaching in KS4 English and Maths	Overstaffing in English and Maths department to allow for more, smaller classes. Pupils eligible for PPG will receive more personal support from teachers.		Pupils eligible for PPG will make good progress in comparison with the wider school cohort. Measured using Progress 8 and Attainment 8 scores in 2022 GCSE results.
Staff will be better informed about supporting pupils eligible for PPG. CPD on quality of teaching will lead to a better experience for pupils in lessons and improved outcomes.	Staff will undertake CPD on effective support of PPG students and on quality of teaching.		Evidence of CPD leading to improvements in classroom practice through observations.

## B. Academic support in core subjects at Key Stage 3 and 4

Intended outcome	Measures	Projected spending	Success criteria/plan for measuring impact
KS4 Pupils eligible for PPG will receive extra support in core GCSE subjects	We will make use of the National Tutoring Programme to offer small group tutoring to pupils eligible for PPG who are at risk of underachieving in English, Maths or Science		Pupils eligible for PPG will make good progress in comparison with the wider school cohort. Measured using Progress 8 and Attainment 8 scores in 2022 GCSE results. Pupil progress will be monitored throughout the academic year through analysis of attainment data.
KS3 pupils eligible for PPG will receive tutoring in core subjects	Support sessions in Maths and English will be delivered by an LSA to small groups of pupils in KS3 who are underachieving in English and Maths.		Pupils will improve their grades in English or Maths after tutoring. The PPG coordinator will analyse data at assessment points for each year group to measure the impact of tutoring.

### C. Wider strategies to support access to the curriculum

Intended outcome	Measures	Projected spending	Success criteria/plan for measuring impact
All pupils will have the academic materials necessary for accessing the curriculum and successful completion of courses.	Pupils eligible for PPG will have academic materials supplied, including but not limited to: <ul style="list-style-type: none"> <li>• Revision guides</li> <li>• Art materials</li> <li>• Course textbooks</li> </ul>		Pupils will be supported in accessing the curriculum.
Pupils will be able to take part in extra-curricular activities in school.	Pupils eligible for PPG funding will have music lessons paid for in full. Other extra-curricular opportunities may be subsidised on a case-by-case basis.		Pupils eligible for PPG will be well represented in extra-curricular activities.
Pupils will be able to take part in enrichment activities and trips related to the curriculum.	All trips which are compulsory for the completion of a course, such as Geography fieldwork, will be fully funded for PPG students. Support will be available on a discretionary basis for PPG students on other trips and enrichment activities.		Pupils eligible for PPG will be able to attend school trips and enrichment activities.

#### D. Targeted individual support according to need

Intended outcome	Measures	Projected spending	Success criteria/plan for measuring impact
Barriers to individual pupils' learning are identified and overcome on a bespoke basis.	PPG coordinator will liaise closely with the SENCO and Pastoral Team to identify and support individual pupils as needed. This support may include tutoring, mentoring, support with uniform or other strategies.		Spending on individual pupils will be monitored and the impact assessed on a case by case basis.
