Dear Parents and Carers

Ski Trip to Italy 2023

It is time, following the Covid pandemic, to organise a Tenison's ski trip to Italy. Previous trips have been a great success and we are always proud to be part of such a wonderful school. Tenison's have previously been nominated three times as 'Group of the Season' (including two of the past three trips), which illustrates the excellent behaviour and character of Tenison's pupils and I am sure, that our 2023 trip will be just as good, if not better.

We have been offered an amazing package by 'The Ski Company' who have a real passion for bringing skiing to all. and as part of our commitment to educating the whole child, we feel that this is a great opportunity to build cultural capital and to develop pupils social skills and physical fitness, as well as enabling pupils to experience environments outside of their normal day-to-day lives.

Please find further information regarding the ski trip, location and how to pay via the following link - <https://www.theski.company/abt23>
